Is your primary residence in this Community?

Yes

No

Do you have children under 18 living with you?

Yes

No

Have you or members of your family used the Community Center in the past 5 years?

Yes

No

Please check either statement 1 or 2 below:

1. I think the Old Historic Grammar School and surrounding grounds should continue to be used as a recreation and community center, athletic fields, community garden, and open space?

2. I think the Old Historic Grammar School and surrounding grounds, athletic fields, community garden, and open space could provide greater community value through an additional or different use of the buildings or grounds than suggested in question 1? My suggestions are below.

Please describe your ideas for using the building and grounds. Recommendations may be made about the property in question as a whole or to subdivide the parcel into two or more separate portions, including Friendship Park (the current baseball field), the Old Historic Grammar School building, the community gardens, and the remaining undeveloped portions of the property.

Write your suggested use here.

Please be creative.

Thank You!
